The NIN is a large group of people who get support.

It meets 6 times a year.

People share ideas about having a bigger say in the organisations that support them.

NIN wrote the Charter for Involvement

It has 12 Statements that show how people want to be involved.

Organisations sign up to the Charter.

This means they will try to carry out the 12 Statements.

The Scottish Borders Health & Social Care Partnership has signed up to the Charter.

NIN meetings are usually in Edinburgh or Glasgow.

This is the second time the meeting has been held in Galashiels.

We hope more people who get support in the Borders will come to the meeting.

Please print and distribute this flyer around your services.

We need to know who is coming to the meeting so we can be ready for the right number.

NIN is supported by ARC Scotland
