

nature unlimited
needs you!

Nature Unlimited is a not-for-profit organisation running group sessions based on the Forest School ethos. We currently have **opportunities for volunteers** in Peebles, Selkirk and Galashiels areas. We are looking for people who share our love of nature and who enjoy working with children, young people and/or adults. We work outdoors in all weathers, usually in woodlands. Most of our work is with vulnerable or marginalised groups.

If you would like to attend a taster session for volunteers, where you can meet the team and find out a bit more about what we do, then please get in touch as soon as possible.

Contact Ruth on 01721 723945 or 07711 210431 or email ruth@natureunlimited.scot

See our website www.natureunlimited.scot/volunteering or our Facebook page for more information.
