

Community Connections

What's New, what's next in Berwickshire?

What Is The Big Idea?

We have been speaking to local people about what is available and how people like to spend their time. People have told us what they like, what they want to do more of, and some things that make it hard for some people e.g. transport / lack of choice /location / cost / getting included/ setting up a new community project.

So, What's Next?

On **Tuesday, 8th May** from **10am to 12noon** we will be at **Eyemouth Community Centre** and from **2pm-4pm** at the **Volunteer Hall in Duns**. This is a great chance for local people and groups to talk about their projects and how we can all work together to make communities in Berwickshire even better for everyone. **Refreshments will be available.**

How Do I Get Involved?

Come along (it's free) have your say, see if there is something you want to get more involved in, and be part of it. Open to all, young and old, people with and without disabilities. We want an inclusive area where we make best use of the resources and skills we have, to get more of things we want to do.

Look forward to seeing you there!
